Consent to Treat Patient

By law, generally, any child under the age of 18 years old cannot be seen by a Licensed Provider without consent from a parent or legal guardian.
If the minor arrives with someone other than a parent or legal guardian, we must have written permission from the parent or legal guardian that this person has been appointed by you to act on your behalf.

LIMITATIONS:

☐ Check here if you wish to give consent for the minor to receive medical care without an accompanying adult, which shall be in effective until: Date-_____

AUTHORIZATION:

I (**parent/legal guardian name-please print**) _____ request and authorize Pediatric Associates of Western CT and its personnel to deliver routine medical care to my child listed above as may be deemed necessary in the diagnosis and treatment of the minor child. I am also aware that the adult presenting the child is responsible for payment of the patient portion at the time of service.
I have the legal right to authorize Pediatric Associates and its personnel to deliver routine medical treatment and services to my child. Routine medical care and interventions may include, but are not limited to: medical evaluation, physical exam, routine immunizations, injections, x-rays, lab work (examples: throat or nasal swabs, blood draws, urine catheterizations, etc.)

I have read, understand and give my consent to the above.
